L'École française d'Extrême-Orient (EFEO), fondée en 1900 à Hanoï, est un établissement relevant du ministère français de l'Enseignement supérieur et de la Recherche dont la mission scientifique est l'étude des civilisations classiques de l'Asie. Son champ de recherches s'étend de l'Inde à la Chine et au Japon et, englobant l'ensemble du Sud-Est asiatique, comprend la plupart des sociétés qui furent indianisées ou sinisées au cours de l'histoire. Autour de ses dix-sept centres et antennes, installés dans douze pays d'Asie, se sont constitués des réseaux de chercheurs locaux et internationaux sur lesquels l'École a pu s'appuyer pour construire son essor. L'EFEO aborde l'Asie par des recherches pluridisciplinaires et comparatistes associant l'archéologie, l'histoire, l'anthropologie, la philologie et les sciences religieuses. À Pondichéry, les projets de l'EFEO portent essentiellement sur l'indologie classique : sanskrit, tamoul ancien, histoire, histoire de l'art et des religions.

The mission of The French School of Asian Studies (EFEO), founded in 1900 in Hanoi and today under the aegis of the French Ministry of Higher Education and Research, is to study the classical civilisations of Asia. Stretching from India, in the West, across the whole of South-East Asia to China and Japan, the EFEO's research areas cover most of the societies which have been 'Indianised' or 'Sinicised' over the course of history. A network of international scholars working at the EFEO's seventeen centres and branch offices, which are spread across twelve Asian countries, has been essential in the development of the School's research programme. Interdisciplinary projects bring together scholars in the fields of anthropology, archaeology, history, philology, and religious studies. In Pondicherry, the projects of the EFEO focus mainly on classical Indology: Sanskrit, Old Tamil, History, and History of art and of religions.
